

Cape Fear Corvettes
Minutes of August 5, 2008, membership meeting

- The meeting was called to order at approximately 7:00 PM
- Tony reports that we are now at 40 members in the club!
- Tony (Club Treasurer) gave a report on the clubs account.
- Tony is also looking into re-wording the bylaws of the club.
 - This is to address email addresses and names of the club members and how we are to allow sponsors of the club those names and addresses.
- The updated Club Roster will be available ASAP.
- Most of the meeting was used to discuss the Cape Fear Corvette Clubs car show. Below is a list of things that were covered:
 - We would like to remind everyone that your help is needed in several areas. Such as judging and setup. But most important we need additional sponsors. We will be working up a lot plan so sponsors can either have a display or for minor sponsors at least some advertisement.
- Oz needs things for the goodie bags given out at the Show.
- Special Trophy update:
 - Best engine sponsor and Trophy
 - Best paint, sponsor and Trophy
 - Best interior, sponsor and Trophy
- Still needed is a Cape Fear Corvette all around Trophy and Sponsor.
- Anyone we can find to help with the sponsorship would be fantastic.
- Meeting was adjourned at 8:00 pm
